## TOURS & VACATION PACKAGES

### INTRODUCTION

Ontario offers its visitors an extraordinary range of experiences drawn from the riches of its past, its present and its future.

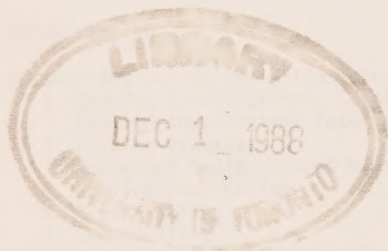

Restored fortresses, manned by troops equipped with period arms and uniforms, recall the birth of Upper Canada in the days of the Empire.

Modern cosmopolitan cities and transportation systems furnish all the conveniences of the present.

And the land itself, timeless in its immensity and unspoiled magnificence, invites visitors to explore and discover for themselves as the first settlers did centuries ago, and their descendants will in years to come.

This brochure provides a synopsis of the multitude of Ontario tour programs available through the year. As you will learn from its contents, Ontario has much to offer visitors in any season.

Please note that all prices and schedules shown are based on the best information available at the time of printing. In each instance, the cost per person when sharing twin accommodation is quoted. Each tour operator's own literature, available through your travel agent, will give complete details of itineraries, prices and items included.

February 1988

## RESORTS ONTARIO

---

Ontario resort properties are to be found in prime locations right across the Province, many of them only 2-3 hours from major centres such as Toronto or Ottawa. Through your travel agent you can review in detail listings of all sorts of locations, rates and facilities and have reservations made for you.

Many resorts operate during a restricted season such as May or June to September or October. Early planning and bookings are therefore recommended.

Resorts Ontario is an association which represents approximately 250 resorts. For reservations, additional information and brochures, contact:

Resorts Ontario  
10 Peter Street North  
Box 2148  
Orillia, Ontario L3V 6S1  
(705) 325-9115 Telex: 06-875600
